The Department of  
Developmental Services  
Definition of PBS

Positive Behavior Supports is a systemic, person-centered approach to understanding the reasons for challenging behaviors, applying evidence-based practices such as prevention, proactive intervention, teaching, and responding to behavior, with the goal of achieving meaningful social outcomes, increasing learning and enhancing the quality of life across the lifespan.

*\*Behavior is something observable and measurable; something a person does or says to others, themselves, or the environment they are in.\**
